To Mr. D. C. Stovall, who served as President of the Board of Trustees fifteen years, the 1972 Blue Quill Staff respectfully dedicates this edition . . .

Mr. D. C. Stovall served as President of the Board of Education for fifteen years. During his tenure as Board President, Mr. Stovall guided the school district through the greatest period of growth and progress in its history. During this period the Corrigan School District was combined with the Moscow and Camden Schools to form the Corrigan-Camden District. More school facilities were provided during this time than had been constructed in all three districts combined since their foundation.

While he was President of the Board, Mr. Stovall saw the enrollment of the schools double and the harmonious transition of the district from a dual system to a desegregated district. A good example of the unity and harmony of the Board under Mr. Stovall's guidance is the fact that in the fifteen years, and all the Board's actions to accomplish these achievements, he was not called on as chairman to cast a single vote.

The citizens of the Corrigan-Camden District will always be indebted to Mr. Stovall for his years of service to the boys and girls of this area. It is with the most sincere respect and appreciation that the Blue Quill Staff dedicates the 1972 edition.

Intermediate teachers find happiness in hearing

Making available to students the library, special facilities, and individual instruction, intermediate teachers prepare their pupils for high school.

Although individual attention to each student is usually difficult to give, intermediate teachers seem always to find the time.

SITTING: Rhonda Burks, Vice-President; La Niece Byron, President; Catherine Puntch, Secretary. STANDING: Frances Frank, Publicity and Program Chairman; Tommye Wright, Treasurer; Carolyn Lowe, Room Mother Chairman.

During the 1971-'72 school year the P-TA sponsored many activities. The largest and most profitable was the annual Fall Festival and Queen's Race in which over \$3,800 was made.

The P-TA members also sponsored a barbecue supper at Homecoming, and they entered a float in the Homecoming Parade.

Last year, the P-TA helped to air-condition the elementary school building with profits from various activities. This year the P-TA has designated all money to air-condition the intermediate school building.

Seniors build an image for themselves

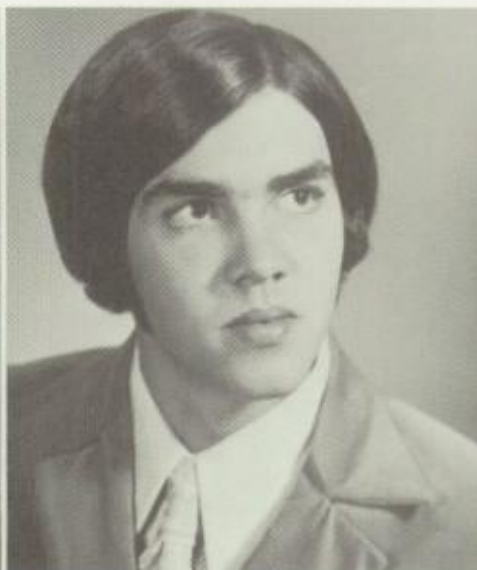

Nineteen hundred was in the year seventy-one when a unique group of students emerged. They built as varied an image for themselves as apples on a shelf, and helped to set the spark for the winning spirit which prevailed this year at Corrigan-Camden. Whether working on a float for homecoming, running a race, or just attending classes, seniors distinguished themselves. They were alternately sophisticated, naive, clumsy and graceful, confident and confused. They were the Class of '72.

Seniors discover that life is just like an onion; you peel it off one layer at the time, and sometimes it makes you weep . . .

Homecoming '71

Students worked feverishly to construct floats and make other preparations for the 1971 Homecoming activities which occur at C-CHS every five years.

From the queens' race to the Bulldogs' 23-6 victory over Lovelady, the day was a huge success.

(a) Homecoming Queen candidates and interested on-lookers anxiously wait for the announcement of the Queen. (b) Seventh-graders burn the midnight oil getting a float prepared for the parade. (c) Jimmy Keller - second place winner in the bike decoration contest.

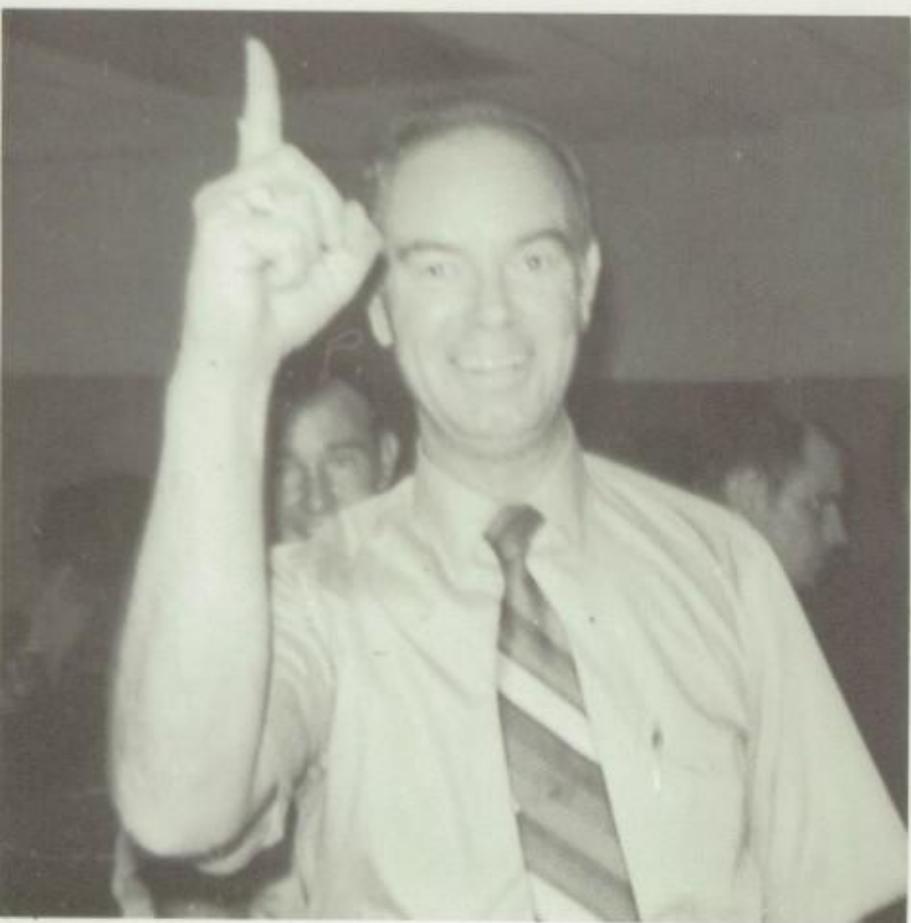

“No. 1 in ’71” and ’72, too!

The spirit of C-CHS was unusually high this year. In fact, our motto became “No. 1 in ’71.” The coaches, team, cheerleaders, band, faculty, and student body contributed. But in the end there was that last pain of defeat.

(a) Football boys enjoy watermelon after practice. (b) The 1971-72 Cheerleaders. (c) The football boys know who is “No. 1.” (d) The Groveton scoreboard as the final quarter came to an end with Corrigan after twenty-one years, the victor. (e) Student body displays its school spirit. (f) A typical pose for Coach Fab. (g) The bitter taste of defeat. (h) Our “No. 1” Principal. (i) Vicky Metts and Shelia Kirkland make posters for the halls.

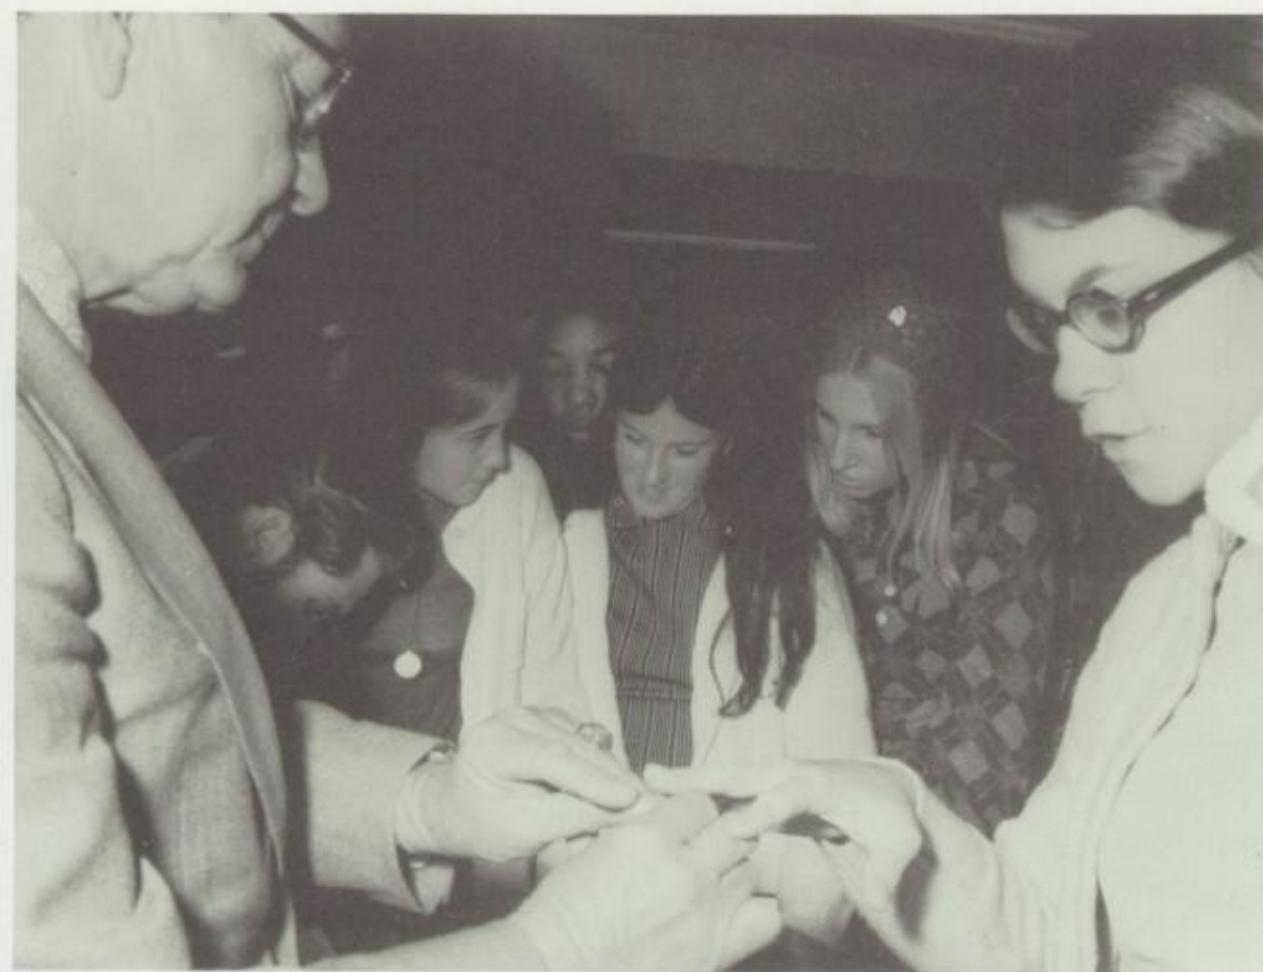

“Little Red Riding Hood and the Big Bad Bear”

There are many duties of an annual staff. To provide the students with the best annual possible is the most important. To help promote sales, this year's class decided to present a play.

(a) The Mod Squad of C-CHS (b) Little Red telling the Big Bad Bear just what she thinks. (c) Robert Whitley modeling the new fall fashions. (d) And that's the truth! (e) Betty Woods and her butterfly.

Juniors Order Rings and Seniors Order Invitations

(a) Ethel Bryant is measured for her ring. (b) Susan knows her ring is going to be the prettiest. (c) Juniors crowd around to see the difference in the stones. (d) An unexpected visitor. (e) George, David, and Bennie order invitations.

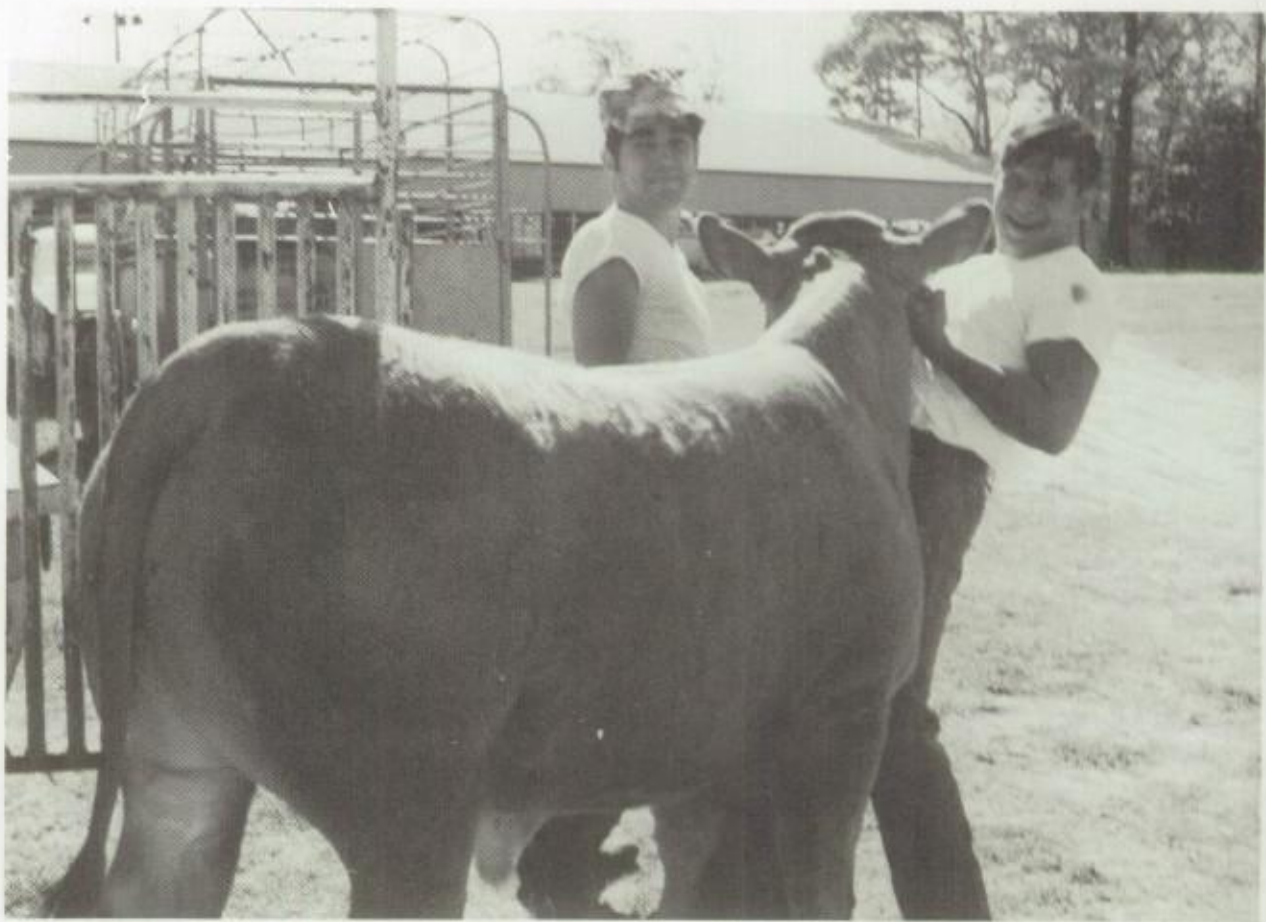

Happiness Is Christmas at C-CHS

Christmas is a fun time; a time for getting out the decorations, bringing in the tree; and a time for parties and smiles.

(a) A Spanish I fiesta. (b) J. C. Evans gets a pair of socks for Christmas. (c) Seniors win the Best Door Decoration contest. (d) FHA President, Judy Reilly, wonders if she can get the tape off this package without anyone finding out. (e) Superintendent J. R. Cockrell and Principal Frank Hyde didn't think anyone cared. (f) Scope once before Journalism does it. (g) Santa Claus comes to Corrigan. (h) Where's our present? (i) Kenneth McQueen is overjoyed at getting just what he always wanted - a monkey.

Trinity-Neches Livestock Show Brings More Awards

This year's show was one of the best. The boys of our Ag Department really outdid themselves with the help of Mr. J. C. Eidson and Mr. L. L. Denham. And congratulations to Marsha Thomas, who was selected as the FFA Sweetheart.

Teresa Hoffman practices a new cooking skill under the careful guidance of Mrs. Eidson and Mrs. Jackson, sponsors.

The purposes of the Future Homemakers of America are to promote a growing appreciation of the joys and satisfaction of homemaking; to emphasize the importance of worthy home membership; to encourage democracy in home and community life; to work for family harmony and to foster the development of creative leadership in home and community life; to provide wholesome individual and group recreation; and to further interest in home economics.

Sponsors and officers planned worthwhile projects during the year to help members reach these goals.

During National FHA Week, the Corrigan chapter scheduled many activities, one of which was a brunch for the faculty.

Future Farmers Learn Modern Skills

Two new programs are added to the curriculum . . .

Two new programs were added to the Agriculture Department this year: CVAE and a tractor maintenance course.

CVAE was set up for students in grades seven through eight. Projects were coordinated with instruction in other academic areas.

Senior students, under the direction of J. C. Eidson, learned how to service and maintain tractors. Most of the second semester was spent actually working on the equipment.

Building birdhouses was one of Carl Eidson's CVAE projects.

Jerry Ash: 880 State Champion

Jerry Ash is a champion. And he has a collection of 16 trophies, 43 medals, and two state championships in the 880 that he has collected in the last two years to prove it.

Ash has also anchored two years for the mile relay team which has finished third and second in state competition in 1971 and 1972 respectively. He will truly be missed next year.

FIRST PLACE 880 STATE MEET
Time - 1:56:5

One of the highlights of Jerry's track experience was his running in the Astrodome Federation Meet. Outstanding high school track men from Texas participated on an invitational basis.

Mile Relay Team Wins Second in State

Continuing the winning tradition at Corrigan-Camden, the tracksters put forth their best effort and won the third district title for 1971-72.

Five men qualified at regional for the state meet. Curtis McQueen placed second in region in the 440; Jerry Ash won first in the state 880, and the mile relay team consisting of Terry Myers, Jerry Ash, Curtis McQueen, and Lee Thomas won second place in the state meet.

McQueen passes the baton to Myers. McQueen ran his best quarter of the year with a time of 49.7.

Lee Thomas, Curtis McQueen, Terry Myers, and Jerry Ash won second in the mile relay at Austin. The team set a local school record with a time of 3:22:8.

Bennie Byron flies over the intermediate hurdles to a first place district finish.

John Cobb hurls the discus 126.7 to qualify for regional.

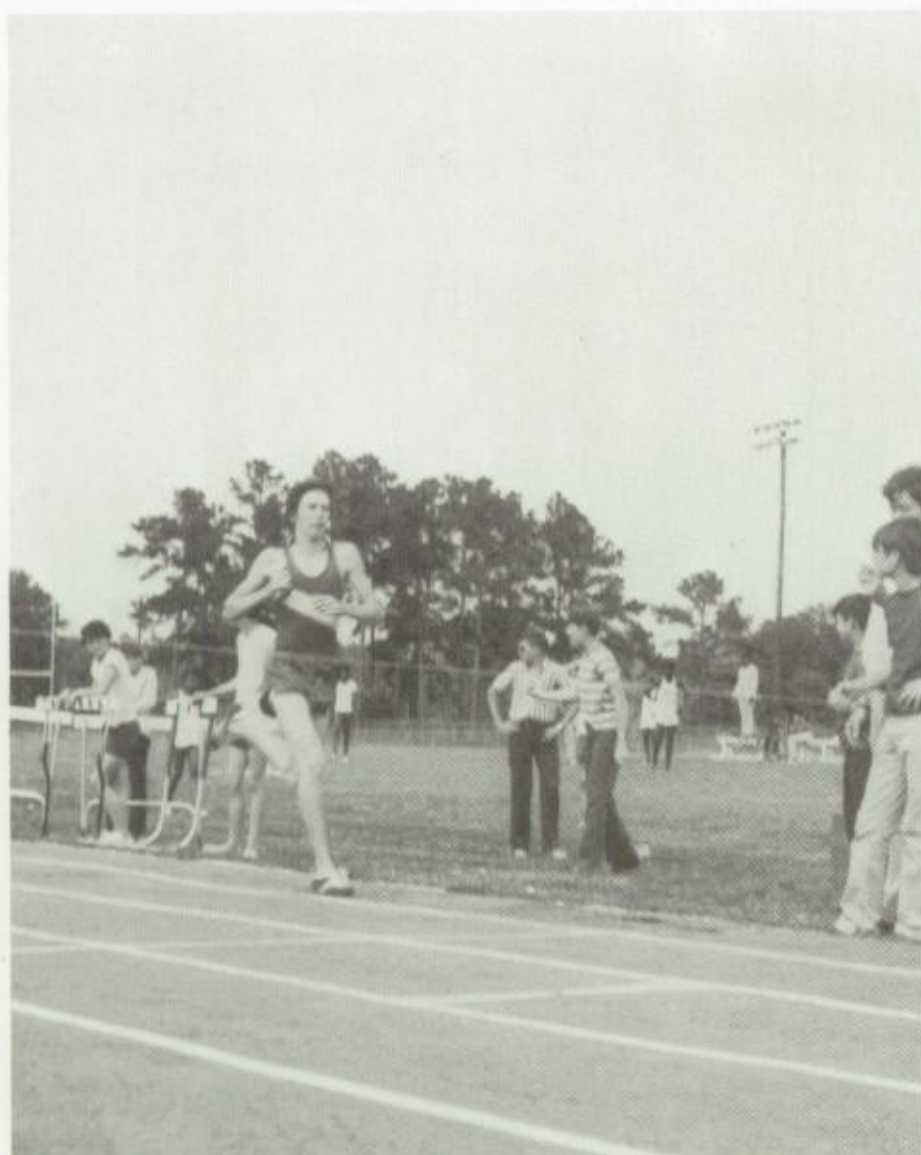

Curtis McQueen placed second in the regional 440-yd. dash, which qualified him for state.

Junior Varsity and Junior High Make It a Triple Sweep in District Track Competition

JV half-miler Julius Sirman leaves his opponent way behind as he finishes first in district.

C-C's mile relay team - Glen Darden, J. C. Sweats, Keith Brandenburg, and Willie Jackson - win another first.

JV and Bullpups Bring Home More 'Firsts'

It was a sweepstakes situation in the Junior Varsity and Junior High District Track Meet at West Hardin when Corrigan-Camden Junior Varsity tracksters ran up a total meet score of 234 points while their closest opponent, Groveton, scored a meager 97.

The JV team had participated in only one other meet during the season and made a tremendous showing against AA and AAA schools. Approximately 30 men participated in the district meet, which was the greatest number in the school's history.

Coach "Buzzy" Cockrell's Bullpups also capped their greatest sports season by winning the district title with 54 points over Groveton Junior High's 48. It was a great season!

Bullpup Ricky Turner finishes No. 1 in the district 440-yd. dash.

New York Jets' John Elliot Speaks at Banquet

More than 200 athletes, parents, and other guests attended the athletic banquet in May. John Elliott, defensive lineman for the New York Jets, was guest speaker.

The banquet, which was held to recognize all varsity and junior varsity sports participants, was the "grand finale" to a truly fantastic year for Corrigan-Camden's Athletic Department.

Avid Bulldog fan Dick Skinner enjoys the food and conversation.

Each coach recognized players under his direction and commended parents for their support.

Editors' Message

The challenge of publishing a book of memories is a great one because it is a tremendous task to capture all of the emotions and activities of an entire year. But the spirit and enthusiasm of our fellow students aided us in presenting an edition with the memories everyone will treasure.

The faculty, administration, aides, athletes, and student body as a whole must be commended this '71-'72 school year. They set their goals and met every one of them with a spirit and determination never before witnessed in C-CHS. For this reason, we feel that our book is the best yearbook published by a BLUE QUILL staff.

Following the good quality tradition set by annual staffs before us, we have provided you with more color, more sports coverage, and more student life. We hope that you treasure this book as much as we have enjoyed putting it together.

May the butterfly of happiness light upon your shoulder ...

*“Happiness is like a butterfly;
The more you chase it,
The more it will elude you.
But if you turn your attention to other things,
It comes and softly sits
On your shoulder . . . ”*
